# JOIN US IN PREVENTING POLITICAL VIOLENCE

Take the Pledge for Unity and Respect in Pennsylvania

## Why Sign?

**WE CALL ON OUR FELLOW AMERICANS TO JOIN US TO:**

encourage fellow Americans to embrace curiosity about different political views, respect opposing perspectives, separate individuals from their views, and appreciate the humanity of those with differing opinions.

**WE CALL ON PUBLIC OFFICIALS AND CANDIDATES TO:**

prioritize the needs of all constituents, not just supporters, refrain from stoking public anger towards identity groups, collaborate with officials from opposing parties, and uphold democratic processes even when outcomes are not favorable.

**WE CALL ON NEWS REPORTERS AND OPINION JOURNALISTS TO:**

avoid exacerbating hate and division by refraining from solely focusing on negative narratives, assigning collective blame for individual actions, or exaggerating issues; instead, highlight problem-solving efforts like those endorsed by the Solutions Journalism Network and pursue conflict coverage that enlightens rather than incites.
